1.5 SIERRA KINGS HEALTH CARE DISTRICT
GLOBAL GOVERNANCE
POLICIES AND PROCEDURES

BOARD SELF-ASSESSMENT – towards the ongoing Board development of the Sierra Kings Health Care District (referred to as the District).

PURPOSE:
The purpose of this policy is to promote ongoing Board development through a Board self-assessment model that solicits the input of Board members on their experiences as an induvial and as a group.

POLICY & PROCEDURES:
It is the policy of the District to periodically review and evaluate the efficiencies and effectiveness of its governance and administration and to ensure it continues sound and customary business practices.

Timing:
The Board self-assessment process shall be initiated by the Chair annually in January.

Process:
Each Board member shall complete a self-assessment questionnaire that captures the Board's performance, identifying areas of strength and opportunities for improvements.

Results:
The Board shall receive and review the summary of the questionnaire at its annual retreat.
