5.12 SIERRA KINGS HEALTH CARE DISTRICT GRANTS MANAGEMENT POLICIES AND PROCEDURES

FUNDING OTHER GOVERNMENTAL AGENCIES – the Sierra Kings Health Care District (referred to as the District) shall participate in grantmaking pursuant to Health and Safety Code section 32126.5.

Purpose:
The purpose of this policy is to establish the District's adherence to Health and Safety Code section 32139(c)(6)(G), regarding grantmaking guidelines effective January 1, 2020, concerning funding other government agencies.

Policy:
It is the policy of the District that community-based and faith-based organizations shall be prioritized for funding other government agencies. However, when government agencies are the sole source for implementation of a desired strategy, they will be prioritized.

Given the District's priority of community and faith-based organizations for funding, governmental agencies that demonstrate operational and/or fiscal collaborative partnerships with such agencies to promote grass-root approaches will be considered equally with community-based and faith-based organizations.

Annual Policy Review
Pursuant to Health and Safety Code section 32139(c), the District shall consider this policy annually.
